## TABLE OF CONTENTS.

I.—The Problem of Middle Ear Mechanics. By A. G. POHLMAN, M. D., from the Department of Anatomy of St. Louis University, St. Louis.....	1
II.—Intranasal Reconstruction. By F. J. PRATT, M. D., Assistant Professor, Ophthalmology and Otolaryngology, University of Minnesota Medical School, and J. A. PRATT, M. D., Instructor, Ophthalmology and Otolaryngology, University of Minnesota Medical School, Minneapolis.....	46
III.—Gravity Drainage and Swabs vs. Irrigation and Wicks in Otitis Media. By GEORGE E. BARNES, B. A., M. D., Herkimer, N. Y.....	107
IV.—Tonsillar Tubercles Containing Intracellular Concretions Simulating Foreign Body Pseudotubercles. By CARL VERNON WELLER, M. S., M. D., Associate Professor of Pathology, University of Michigan, Ann Arbor.....	110
V.—A Demonstration of the Physics of Suction Applied to the Nose with Modification of the Usual Technic. By SAMUEL IGLAUER, M. D., Cincinnati, Ohio.....	125
VI.—A New Local Anesthetic for Nose and Throat Work. By ALBERT E. BULSON, JR., M. D., Fort Wayne, Indiana.....	131
VII.—A Study of the Schwabach Test in One Hundred Cases. By ROBERT SONNENSCHIEIN, M. D., Chicago.....	137
VIII.—Tonsillectomies in Adults for Rheumatism with Critical Review of Results. By HILL HASTINGS, M. D., Los Angeles, California.....	157
IX.—Hyoscin and Morphin as a Preliminary to Local Anesthetics. By LEE M. HURD, M. D., New York.....	167
X.—Nasociliary Neuralgia. By GREENFIELD SLUDER, M. D., St. Louis.....	172
XI.—Vocational, Occupational or Industrial Diseases of the Ear, Nose and Throat. By JOHN A. DONOVAN, M. D., Butte, Montana.....	176
XII.—Tinnitus Aurium. By THOMAS J. HARRIS, M. D., New York.....	192

XIII.—Postoperative Treatment of the Radical Mastoid Operation. By J. A. STUCKY, M. D., Lexington, Ky.....	200
XIV.—Tic Douloureux in Relation to Latent Maxillitis. By H. B. LEMERE, M. D., Omaha, Neb.....	204
XV.—Dichloramin Treatment of Mastoid Wounds. By RALPH A. FENTON, A. B., M. D., Portland, Ore.....	214
XVI.—Acute Lacunar Adenoiditis. By SAMUEL SALINGER, M. D., Chicago.....	220
XVII.—The Problem of the Hard of Hearing and Electrical Hearing Devices. By GEORGE E. SHAMBAUGH, M. D., Chicago.....	225
XVIII.—The Bacteriology and Histopathology of the Adenoids. From the Department of Pathology and Bacteriology of the University of Illinois, College of Medicine, Chicago. By ISADORE PILOT, M. D., Chicago.....	231
XIX.—Fatalities Following Operations Upon the Nose and Throat Not Dependent Upon Anesthesia—A Study of Three Hundred and Thirty-two Hitherto Unreported Cases. By HANAU W. LOEB, M. D., St. Louis.....	273
XX.—Optic Nerve and Accessory Sinuses. By PROF. J. VAN DER HOEVE, Leiden, Holland.....	297
XXI.—Recent Observations on Laryngopulmonary Tuberculosis. By JULIUS DWORETZKY, M. D., Liberty, N. Y.....	311
XXII.—The Use of Ear Plugs in Aviation. By MAJOR LLOYD E. TEEFT, Medical Corps, U. S. A., and ELIZABETH K. STARK, Department of Otology, Medical Research Laboratory and School for Flight Surgeons, Mitchell Field, L. I., N. Y.....	329
XXIII.—Larvae of the Fly <i>Sarcophaga</i> ( <i>Sarcophila</i> ) Wohlfahrtii in the Ear. By ALEXANDER ZEBROWSKI, M. D., New York.....	335
XXIV.—Adenocarcinoma of the Middle Turbinate, Antrum and Ethmoids Two Years After Radical Operation Without Recurrence. By DAVID N. HUSIK, M. D., Philadelphia.....	345
XXV.—Chronic Stenosis of Larynx and Trachea With Report of a Case Treated by Laryngostomy and Dilatation. By EDWARD CECIL SEWALL, A. B., M. D., San Francisco.....	352

XXVI.—The Histopathology and Histogenesis of Benign Growths of the Nose and Accessory Cavities. By HARRY L. BAUM, M. D., Denver .....	371
XXVII.—Nasal Tuberculosis. By W. B. CHAMBERLIN, M. D., Cleveland.....	423
XXVIII.—The Problem of Middle Ear Mechanics. Chapter II. By A. G. POHLMAN, M. D., From the Department of Anatomy of St. Louis University, St. Louis.....	430
XXIX.—Misconceptions Regarding the Import of Retraction of the Drum Membrane. By EDMUND PRINCE FOWLER, M. D., New York City.....	483
XXX.—Acute Infections into the Sebaceous Glands and Hair Follicles of the Nasal Vestibule. By LEE M. HURD, M. D., New York.....	489
XXXI.—Variations of Intracranial Symptoms From Frontal Sinusitis. By LOUIS LEVY, M. D., F. A. C. S., Memphis, Tennessee .....	493
XXXII.—Acute Mastoiditis With Unusual Complications. By E. P. NORCROSS, M. D., Chicago.....	501
XXXIII.—The Role of the Tonsils in the Treatment of Nose Conditions, Infective and Obstructive—Study of 111 Cases. By T. R. GITTINS, M. D., Sioux City, Iowa.....	507
XXXIV.—Suppurations of the Labyrinth. By EDWIN COBB, M. D., Marshalltown, Iowa.....	523
XXXV.—The Application of Dental Molding Compound for the Maintenance of Skin Grafts in the Middle Ear and Mastoid Cavities. By JOSEPH ISRAEL, M. D., Houston, Texas.....	543
XXXVI.—Some Remarks on the Indications for Simple Mastoid Operation in the Adult. By JOHN B. RAE, M. B., C. M., New York.....	546
XXXVII.—Specimens Illustrating Operative Aural Surgery and the Making by Graduate Students of Preparations Showing Aural Surgical Anatomy. By E. B. GLEASON, M. D., Philadelphia .....	552
XXXVIII.—The Treatment and Prognosis of Carcinoma of the Larynx. By WAICHIRO OKADA, M. D., Professor of Oto-Rhino-Laryngology in the Imperial University of Japan, Tokyo, Japan.....	601

XXXIX.—The Study of the Tonal Ranges in Lesions of the Middle Ear. By L. W. DEAN, M. D., and C. C. BUNCH, Ph. D., Iowa City, Iowa.....	617
XL.—Observations on Hay Fever. By I. CHANDLER WALKER, M. D., Boston.....	600
XLI.—Unpleasant End-Results in Well Performed Tonsillectomies. By CHARLES W. RICHARDSON, M. D., Sc. D., Washington .....	678
XLII.—A Contribution to the Study of Brain Abscess. By J. K. MILNE DICKIE, M. D., Ch. B., F. R. C. S. Edin., Ottawa, Canada .....	683
XLIII.—The Intimate Lymphatics of the Trachea. By JEROME F. STRAUSS, M. D., Chicago.....	715
XLIV.—Malignant Tumor of the Temporal Bone. By ALEXANDER ZEBROWSKI, M. D., New York.....	739
XLV.—A Brief Review of the Anatomy and Surgery of the Temporal Bone, with Reference to the Mastoid in Health and Disease. By J. C. KEELER, M. D., Philadelphia.....	759
XLVI.—Sphenoethmoid Sinusitis. By JOHN J. SHEA, M. A., M. D., Memphis.....	813
XLVII.—The Present Status of Skiagraphic Interpretation as an Adjunct in the Diagnosis of Catarrhal Affections of the Accessory Sinuses. By ROSS HALL SKILLERN, M. D., Philadelphia .....	855
XLVIII.—Otitic Pyemia Without Sinus Thrombosis. By ERNEST M. SEYDELL, M. D., Wichita.....	862
XLIX.—Report of a Case of Thrombosis of the Superior Petrosal Sinus of Otic Origin, Presenting a Symptom Complex Strongly Suggesting the Diagnosis. By W. G. SHEMELEY, JR., M. D., Philadelphia.....	869
L.—Electrocoagulation in the Treatment of Carcinoma of the Larynx. By FRANK J. NOVAK, M. D., Chicago.....	878
LI.—Vasomotor Disturbances of the Upper Air Passages and Sinus Disease. By J. L. GOODALE, M. D., Boston.....	882
LII.—Barany's Priority. By IRVING WILSON VOORHEES, M. D., New York City.....	895

LIII.—Mishaps in the Puncture and Irrigation of the Maxillary Sinus. By W. E. GROVE, M. D., Milwaukee.....	913
LIV.—Surgery of the Ethmoid Labyrinth. By ALBERT H. ANDREWS, M. D., Chicago.....	947
LV.—The Pathologicoanatomic Difference Between the Fetid and the Nonfetid Ozena. By ALFRED RUNDSTROM, M. D., Chicago.....	950
LVI.—Abscess of the Lung and the Method of Prevention in Nasopharyngeal Surgery. By CHARLES W. RICHARDSON, M. D., Sc. D., Washington.....	960
LVII.—Hyperplasia and Infection in Postethmoidphenoid Ocular Complications. By G. F. HARKNESS, M. S., M. D., Davenport, Iowa.....	964
LVIII.—Some Phases of Esophageal Stenosis. By RICHMOND MCKINNEY, M. D., Professor of Otolaryngology, University of Tennessee College of Medicine, Memphis.....	977
LIX.—Interesting Brain Abscess of Rather Long Duration. By C. J. ADAMS, M. D., Kokomo, Ind.....	984
LX.—A Septic Type of Temperature Not Referable to the Ear in Cases of Acute Suppurative Otitis Media. By HAROLD I. LILLIE, M. D., Section on Otolaryngology and Rhinology, Mayo Clinic, Rochester, Minn.....	990
LXI.—Extradural Abscess Complicating Frontal Sinusitis—Report of a Case. By ROSS HALL SKILLERN, M. D., Philadelphia.....	997
LXII.—A Method of Demonstrating the Surgical Anatomy of the Mastoid by Models. By JESSE WRIGHT DOWNEY, JR., M. D., Baltimore.....	1009
LXIII.—The Technic of Thyrotomy. By ARTHUR E. HERTZLER, M. D., Halstead, Kansas.....	1013
LXIV.—Subcutaneous Emphysema of the Neck and Chest Following Tonsillectomy in an Epileptic. Recovery. By SYLVAN ROSENHEIM, M. D., from the Nose and Throat Department of the Hebrew Hospital, Baltimore.....	1027
LXV.—A Case Showing Unusually Early Metastasis in Carcinoma of the Vocal Cords. By ARTHUR E. HERTZLER, M. D., Halstead, Kansas.....	1032

LXVI.—A Fatal Case of Vincent's Angina. By DAVID N. HUSIK, M. D., Philadelphia.....	1039
LXVII.—X-Ray Treatment of Tonsillar and Lymphoid Tissue. By MAJOR JOHN H. TRINDER, M. C., U. S. Army Station Hospital, Fort Sam Houston, Texas.....	1044
LXVIII.—Observations Upon the Formation and Function of the Accessory Nasal Sinuses and the Mastoid Cells. By ARTHUR W. PROETZ, M. D., Instructor in Clinical Rhinology and Laryngology and Assistant in Clinical Otology, Washington University School of Medicine, St. Louis.....	1083
LXIX.—Operation of Total Laryngectomy for the Cure of Intrinsic Cancer of the Larynx. By JOHN E. MCKENTY, M. D., New York.....	1101
LXX.—Abscesses of the Larynx and Trachea Following Influenza. By CLEMENT F. THEISEN, M. D., Albany.....	1118
LXXI.—Some Points in the Comparative Anatomy of the Nose and the Accessory Sinuses Which Account for the Variations in These Structures in Man. (Lantern Slides.) By J. M. INGERSOLL, A. M., M. D., Professor of Otolaryngology in the Medical Department of Western Reserve University, Cleveland.....	1123
LXXII.—Intranasal Injection of Alcohol in the Treatment of Hyperesthetic Rhinitis and Some of the Nasal Neuroses. By OTTO J. STEIN, M. D., Chicago.....	1129
LXXIII.—The G. E. Barnes Drum Membrane Knife and Spatula. By GEORGE E. BARNES, B. A., M. D., Herkimer, N. Y.....	1137
SOCIETY PROCEEDINGS.....	239, 558, 899, 1139
Chicago Laryngological and Otological Society.....	239, 252, 558, 573, 899, 1139, 1154
Joint Meeting of the Chicago Medical and Chicago Laryngological and Otological Societies.....	264
Nashville Academy of Ophthalmology and Otolaryngology.....	593, 1163
Abstract of the Scientific Proceedings of the Forty-fourth Annual Congress of the American Laryngological Association.....	1166
